

SAVE OUR TRIPLE LOCK

Irish soldiers carry the risk. TDs must be free
to vote before they are sent.

- ✓ Second Stage passed 79–71. The triple lock is still law.
- ✓ The UN check would go. Cabinet approval would stay.
- ✓ From 12 to 50. Up to 50 troops could go without a prior Dáil vote.
- ✓ No free vote. *The Times* reports government TDs would not get one.
